

By His Excellency Dannel P. Malloy, Governor: an
Official Statement

On behalf of the State of Connecticut,
I, Dannel P. Malloy, Governor,
take great pleasure in
recognizing

May 24, 2017

as

Wastewater Treatment Appreciation Day

Wastewater treatment is the
process by which contaminants are removed from
wastewater and household sewage. Its goal is to produce
environmentally safe fluid waste and solid waste
that is suitable for disposal or reuse.

This day coincides with
National Public Works Week, which celebrates the
important role of public works in our daily lives, and educates
the community on how public works helps enhance the
quality of life in Connecticut.

This recognition celebrates the
important role of wastewater treatment in
our communities.

Therefore, I, Dannel P. Malloy, Governor of the State of Connecticut,
do hereby proclaim May 24, 2017 as

Wastewater Treatment Appreciation Day

in the State of Connecticut.

GOVERNOR
