

Connecticut Certification Advisory Committee Vacancies

The Department of Environmental Protection is seeking certified operators to fill vacancies on the Certification Advisory Committee. There are two vacancies that currently need to be filled.

In order to be considered for this committee, operators must be a Connecticut certified operator and be able to attend a monthly meeting on a regular basis.

Interested operators should submit a letter of interest to Craig Motasky before June 30, 2017. The letter should indicate your interest, qualifications you would bring to the committee, and a commitment to attend the monthly meeting typically held the third Friday of each month beginning at 9:00 am at the Mattabassett District WPCF. Letters should be addressed to Craig Motasky, Connecticut DEEP, Bureau of Water Protection and Land Reuse, 79 Elm Street, Hartford, Connecticut 06106.
